MOTOR TRANSPORT INSTRUCTION COMPANY
MARINE CORPS DETACHMENT
1789 MICHIGAN AVENUE
FORT LEONARD WOOD, MISSOURI 65473-6981

IN REPLY REFER TO
MTIC

From: Company Commander

Welcome aboard! I'm excited to have you join the team at Motor Transport Instruction Company (MTIC). You are joining one of the most sought after and prestigious non-FMF billets for a motor transport Marine. As you prepare for your PCS here, start thinking about what you want to accomplish during your tour.

First, consider the impact that you'll be able to have on the motor transport community. You will leave your legacy by developing and leading hundreds, if not thousands, of motor transport Marines. Think of what kind of Marine you want transporting your brothers and sisters during training and combat. The Marines who graduate from MTIC are limited by two things: your knowledge and your ability to convey that knowledge through instruction.

Second, consider what you need during this point in your career and life. Training at MTIC is routine and predictable. You will have the opportunity to catch up on PME. Focus on your family. Work on college. Revive an old hobby. Your mental, emotional, physical, or spiritual wellbeing is important, and this tour should offer some respite from the high operational tempo of the Fleet.

The Ozarks are a beautiful region, and Fort Leonard Wood is a full-service installation with all the amenities typically found at a large Marine Corps base. Your tour here has the potential of being very rewarding, both professionally and personally. Glad to have you on the team, and I hope your PCS goes smoothly.
