

CPP.9

Pistol Reloads

Speed Reload

Perform a speed reload when:

- The pistol runs out of ammunition during engagement.
- The slide locks to the rear.

Speed Reload

Tactical Reload

Perform a Tactical Reload when:

- There is a lull in the action.
- Whenever deemed necessary by the Marine.

Tactical Reload

Considerations for Reloading

- First priority – get pistol reloaded.
- Second priority – retain magazine.
- Take cover before reloading.
- Focus on the reload for that instant -- not the enemy.
