NOTES:

NOTE 1: Off-season MARPAT Utilities must be serviceable and will be used for aquatic training. Other services bring respective service appropriate utilities (Midshipmen and Corpsmen wear NWU III). All utility uniforms must be serviceable with name and service tapes. All quantities are minimums. Sock color must be green, brown or black. Boots must be USMC or service specific issue only.

NOTE 2: Running shoes must have a toe box. Toe shoes are prohibited. Must be appropriate for trail running over rocky terrain. Shoes considered “minimalist” are not recommended. Recommended stack height of 20mm minimum.

NOTE 3: Headlamp not to exceed 250 Lumens. Bring extra batteries.

NOTE 4: Folding knife blade must be less than 3”.

NOTE 5: Males must wear cotton underwear under UDT shorts when worn. Females must wear one-piece swimsuit under UDT shorts when worn.

NOTE 6: For physical fitness training. Unit insignia PT gear is not authorized for wear as a student in the Reconnaissance Training Company. Silkies are not authorized. Athletic socks must be white and ankle or calf height. USMC running suit is not authorized.

NOTE 7: Contact Lenses are not authorized.

NOTE 8: Watches may have TOD, Date, Stopwatch, Timer, alarm and illumination features only. Watches that connect to other devices by any means are prohibited. Any type of compass, barometer, altimeter or Global Positioning System (GPS) are prohibited.

White Shirts & UDT Shorts

- Shirts: Labelled with **[Last Name]** centered on chest and centered high on the back (these labels should be approximately 1 CAC card length from the collar of the shirt) (1 inch stencils)
- Left shoulder will be marked with a **[P]** on pool shirts or an **[L]** on land PT shirts.
- UDT Shorts: Labelled with **[Last Name]** on left thigh (along the hem) and centered above rear pocket.
