

**COUNTER IED BASIC LEADER (CBL) MOBILE TRAINING TEAM (MTT) CID M03BN8M:**

**PREREQUISITES:** Corporal - Gunnery Sergeant or Second Lieutenant - Captain.

**LOCATION:** This course is provided via Mobile Training Team. Commands receiving training will ensure students assigned to this POI muster at the designated location on the morning of Training Day 1.

**GEAR LIST:** See the DtD Gear List. Training is conducted outside and in the classroom, weather appropriate gear is required.

**LOGISTICS:** Messing, billeting, transportation, and providing chow and water are the responsibility of the parent unit.

**TRANSPORTATION:** POVs are not allowed on the TS-IED Lanes, only appropriate government transportation is allowed on the range. This course is primarily conducted at the TS-IED Range 62 Area. Portions are conducted at various locations aboard the base. Students should be prepared to travel to the locations via unit provided transportation.

**SPECIAL INSTRUCTIONS:** A JPAS Visit Request (VR) must be sent by the requester's Security Office/S-2 to the MCES SMO, code MS3050. In the request, reference the CBL MTT course number (X-20) and MCES POC (DtD Branch Chief, MSgt Terwilliger). Request must be sent NLT 10 working days prior to the report date. Ensure all students have an active security clearance in JPAS. To confirm a VR has been received, call the MCES Assistant Security Manager at (910) 440-7153. Failure to submit a VR will result in the student being dropped from the course upon check-in and returned to parent command.
