

**GROUND SUPPLY SCHOOL
COMMAND SCREENING CHECKLIST**

Ver 1.0 (October 19)

Purpose: To ensure Marines selected to attend the Ground Supply School Inventory Management Advanced Course (IMAC) courses are fully qualified.

Information: Resident MOS schools are not screening institutions. In order to prevent Marines from being turned away upon arrival, it is essential that parent commands ensure their Marines are fully qualified and satisfy the enrollment prerequisites set forth in MCO 1553.2C and this checklist. Failure to satisfy any of the prerequisites on this checklist disqualifies a Marine from attending a course.

Action: The completed Command Screening Checklist will be hand-carried to the course of instruction and maintained in the Marine's student academic record. The checklist will be retained in the Student's Academic Record upon completion of TAD.
