

OFFICER CANDIDATES SCHOOL COMBINED POLICY STATEMENT

Every Marine, Sailor, Civilian, and officer candidate assigned or attached to Officer Candidates School deserves to be treated with respect and dignity. This is the standard; therefore, I expect every OCS Teammate to review, adhere to, and enforce this combined policy statement.

**KNOW THE STANDARD
BE THE STANDARD
ENFORCE THE STANDARD**

Prohibited Activities and Conduct (PAC). All team members must be afforded the equal opportunity to achieve their fullest potential based solely upon their individual merit, fitness, intellect, and ability. Actions such as harassment, hazing, and unlawful discrimination are contrary to our core values, counter-productive, unacceptable, and will not be tolerated at any level. Leaders, it is your responsibility to set the example and hold Marines accountable when they fall short. The chain of command is the primary and preferred channel to prevent and respond to PAC allegations.

Sexual Assault Prevention and Response (SAPR). Sexual assault will not be tolerated. It is a crime that erodes unit cohesion, obstructs unit readiness, and contradicts Marine Corps core values. No matter the reporting avenue, restricted or unrestricted, victims will be treated with respect and dignity; will know they have a reasonable expectation of privacy; and will be provided access to all available resources. Every member of OCS must be aware of what actions constitute sexual assault, the consequences of such a crime, and possess the necessary tools to prevent, act, and report appropriately when witnessing situations or behavior likely to result in sexual assault. Look out for each other and actively prevent our fellow Marines and Sailors from being victimized.

Unit, Personnel, and Family Readiness Program (UPFRP). The OCS mission is critical to the Corps' ability to generate combat credible forces to meet joint force requirements. This requires a ready OCS Team to include our families. I define ready families as informed of and have access to basic resources, referral services, and support networks to meet their needs and to create resiliency for managing life in the Marine Corps' high-tempo training environment.

Semper Fidelis,

DAVID C. HYMAN

Colonel, United States Marine Corps
Commanding Officer, Officer Candidates School
